

Community meeting Long Gully Bridge safety fence, 17 December 2009

A community information evening will be held on Thursday 17 December 2009 on the safety barrier for the Suspension Bridge project.

The meeting will discuss the RTA's process to consider options for a safety barrier and the currently preferred option.

The details of the meeting are:

- 7pm on Thursday 17 December 2009.
- St Marks Church hall, corner Malacoota Road and Tunks Street, Northbridge.
- 7.30pm presentations start.
- 9pm supper provided.

For further information about the safety barrier and the report describing the options considered by heritage architects, please visit the RTA website at www.rta.nsw.gov.au.

For more information about the meeting, please contact Paula Wilson on 8849 2183 or Paula_Wilson@rta.nsw.gov.au.

This meeting is supported by
Willoughby City Council.
