Dear Mr Tobin

Re: Redevelopment of Warners Park

The association wishes to congratulate Council on its redevelopment of Warners Park in Northbridge. The latest work – a new car park, picnic area and extensive landscaping - is outstanding.

Please pass on our appreciation to those involved with the planning, design and execution of this work, which is a substantial and welcome addition to the recreational facilities of Northbridge.

We look forward to Stage 3 of the works in 2009/2010.

Yours sincerely

Peter McNair
President
