Dear Mr Tobin

**Re: Rubbish on Northbridge Oval**

At its meeting on April 12, the committee of Northbridge Progress Association asked me to bring to your attention the rubbish left on Northbridge Oval by sporting and other groups that use the oval. The rubbish includes bottles, cans and food wrapping material.

The committee suggested that Council may like to remind sporting groups that cleaning up the rubbish is part of their obligations when they use the oval. In addition, notices could be placed at the entries to the oval reminding users of their obligations.

Council might also like to assess the best placement of garbage bins in the vicinity of the oval to maximise their use by sporting groups and other users.

Yours sincerely

Peter McNair  
President
