Dear Stephen

Re: Proposed Woolworths supermarket, Smith St, Chatswood

Many thanks for hosting a meeting in your office on February 24 for several Committee members of this Association and for providing us with an understanding of the proposed Woolworths supermarket in Smith St. We also appreciate the opportunity to review some of the reports about the project.

The Association's Committee met on March 7 and discussed the supermarket project. We recognized the expected beneficial impact on traffic and parking in Northbridge. However, the Committee decided not to provide a letter of support for the project at this time because of concerns about the site's zoning and traffic congestion at the intersections of Eastern Valley Way with Smith St and Castle Cove Drive.

Yours sincerely

Peter McNair
President
